Giovanni D. Aletti, MD

Giovanni D. Aletti graduated in Medicine in 1998 from the University of Milan, Italy. In 2004 he completed the Specialty in Obstetrics and Gynecology from the University “Vita e Salute”, San Raphael Hospital of Milan, with a thesis titled: “Role of Urokinase Receptor (u-PAR) in Ovarian Cancer”. From September 2003 to September 2004, and from January 2006 and June 2006, he completed a Basic Research Fellowship (Experimental Pathology Lab under the mentorship of Drs. Cliby WA and Shridhar V) and a Clinical Research Fellowship (under the mentorship of Dr. Cliby WA) at the Mayo Clinic, Rochester, MN (US). From June 2006 to June 2009, he has successfully completed a Fellowship in Gynecologic Oncology at the Mayo Clinic, Rochester, MN (US). Since he returned to Milan, Italy, in July 2009, he has joined the Gynecologic Oncology Department, European Institute of Oncology, as Deputy Director. Author of several publications in the field of gynecologic oncology, he has a particular interest in Ovarian Cancer, Oncologic and Cytoreductive Surgery, and Education in Surgical Oncology. He has recently joined the Editorial Board of the journal Gynecologic Oncology and the ESGO task force for surgical education.
